Robert Blaich, D.C., DIBAK & Eugene Charles, D.C., DIBAK
Applied Kinesiology and Optimizing Health and Performance

Friday September 16

- 7:30 Registration and Exhibits (Aurora Room)
- 8:30 Opening Words
Eric Pierotti, D.C. President, ICAK
- 8:45 Michael Allen D.C., NMD, DIBAK, DACNB (USA)
*The Spinal Generator –A concise look at normal Human
fixed action patterns and AK as functional neurology*
- 9:30 Keith Keen D.C., DIBAK (Australia)
*Optimizing human potential by accessing
the brainstem*
- 10:15 Break and Exhibits
- 10:45 Sheldon Deal D.C., DIBAK (USA)
The Biology of Perception
- 11:15 Peter Jaillet D.C., DACNB (USA)
*Balancing the Brain: rehabilitation using
eyelights and other brain based
therapies*
- 12:15 Lunch until 1:45
Datis Kharrazian DC, DIBAK,
DACNB(USA)
- 1:45 David Leaf, D.C., DIBAK (USA)
*Gait-visual analysis- diagnostic muscle
testing and integrative therapies- putting*

*it together to create effective assessment
and treatment protocols*

- 2:45 George Goodheart D.C., Founder of
ICAK
Keynote Address
- 3:45 Break and Exhibits
- 4:15 Rudolph Meierhofer
*The Adler-Langer Points – sign to hidden
inflammations in the head*
- 4:45 Patrich Wennergren, D.C.,
DIBAK(Sweden) *Short Lever Muscle
Test and Patient Management in AK*
- 5:15 Hans Boehnke, D.C., DIBAK (Canada)
*Proprioception and Balance – an AK
perspective*
- 5:45 Richard Meldener D.C., DIBAK (France)
?
- 6:00 Closing Words
Board of Certified Teachers meeting
(Blue Jay Room)

Saturday September 17

- 7:30 Board of Standards
Breakfast meeting (dining room)
- 8:30 David Reynolds, D.C. (Australia)
*The enigma of the iliopsoas complex:
blind spot and cranio-dental associations*
- 9:15 Hans Garten M.D., DIBAK, DACNB
Germany
*Neurology of urogenital function, bladder
rehabilitation and AK protocols*
- 10:00 Ivan Ramsak M.D. (Australia)
*Dental Focus– diagnostic approach in
AK*
- 10:15 Break and Exhibits
- 10:45 Karl Kienle M.D., DIBAK (Germany)
*Tooth-Organ-Meridian relationships
according to Voll and Maxillary Drainage*
- 11:15 Tracey Gates D.O., DIBAK (U.K.)

*Using AK to optimize a training schedule
in sport*

- 11:45 William Maykel D.C., DIBAK (USA)
*Advanced AK technique for the creation
of ligamentous tone*
- 12:15 Lunch
- 1:45 Chris Astill-Smith D.O., DIBAK, (UK)
*Evaluating the three sides of the triangle
of health*
- 2:30 Tim Francis D.C., DIBAK (USA)
The Extraordinary Meridians
- 3:15 Break and Exhibits
- 3:45 Michel Barras, D.C., DIBAK
*Neurological disorganization-Scope of
practice and case resolutions*
- 4:15 Wally Schmitt D.C., DIBAK, DACNB
(USA)
*Neurological rationale for a clinical
protocol for application of AK techniques
based on a neurological hierarchy*
- 5:30 Closing Words
- 7:00 Cocktails in Aurora Room
- 8:00 Dinner and Dance in Northern Lights
Ballroom

Sunday September 18

- 9:00 Donald McDowall, D.C., DIBAK
(Australia)
*Acid-alkaline imbalance and
osteoarthritis
Quick tests, fast results
Is muscle strength testing a lost art? The
illusion of facilitation, inhibition and soft
pressure testing*
- 9:45 Agne Cervo & Roseli Lupino Peres,
DDS'
*TMJ exercises & Orthopedic appliances
used in Systemic Odontology and AMP-
Aero Muscular Possibilitator*
- 10:45 Break and Exhibits

- 11:15 Geert Drenth D.O. DIBAK (Belgium)
*Advanced Bowen Technique-
Neurostructural Integration (NST)*
- 12:00 Tatyana Chernysheva M.D. (Russia)
*ATP Resynthesis Influence on Indicator
Muscle Weakening during Phase-2 MMT*
- Wolfgang Gerz M.D., DIBAK ?
- 1:00 Farewell Address
Eric Pierotti, D.C., President ICAK

Student Program
Saturday, September 17

- 8:30 Opening Address
Eric Pierotti, D.C., President ICAK
- 8:45 David Leaf, D.C., DIBAK (USA)
*Diagnostic muscle testing and integration
of muscle therapies for patients and
athletes – putting it together for effective
assessment and treatment protocols*
- 10:45 Break and Exhibits
- 11:15 George Goodheart, Founder of ICAK
(To be confirmed)
- 12:15 Lunch
- 1:45 Wally Schmidt, D.C., DIBAK (USA)
Topic?
- 3:15 Break and Exhibits
- 3:45 Tim Francis, D.C., DIBAK (USA)
*AK procedures for conditions of the
extremities*
- 5:30 Wrap-up

Sunday, September 18

- 9:00 Michael Allen, D.C., NMD, DIBAK,
DABCN(USA)
The Neurology of AK
- 11:00 Break and Exhibits
- 11:30 Anyone?
- 12:30 Wrap-up
